

Butterfly Earrings

Brand: Be?art

Availability: In Stock

Price: 140,00KM

Description

Silver earrings with a butterfly motif from the "ColorUp" collection. The earrings are made in a combination of traditional filigree technique with color details that give them a very modern and attractive look. They can be ordered in silver or with gilding.

Dimensions of the basic motif (Width x Height): 30x21 mm

You can order this item in other dimensions or colors of your choice, which can affect the price change.

We are not able to guarantee the same shades of colors as in the pictures, because they may differ depending on the quality of the monitor.
